

SENIOR MOMENTS

September 2017

Tom Perry, Senior Ministry Coordinator

Intentional Personal Ministry

On August 19 Trinity hosted an Intentional Personal Ministry gathering. Pastor Mark talked about the importance of identifying your personal ministry and we had members give examples of what they did. After the presentations we participated in a mission project. We assembled over 100 hand-up bags for the homeless. A few are still available and you are welcome to take what you can use.

Back Stage Look: Spire American Spiritual Concert

Senior Ministry will host a pre-concert look at Spire's "The Spiritual: America's First Art Form" concert. Spire's conductor and Trinity Director of Music and Arts Ben Spalding will talk about the history of the American spiritual. He will also give us a behind the scenes look at their upcoming concert. Who knows, there might even be a surprise guest! Don't miss this opportunity to learn more about the concert and America's home-grown art form, the American Spiritual. The Friday afternoon event is free and is open to all.

Movement Forum

Dr. Eric Justin will lead us in a speaker series forum which deals with the importance of movement in our lives. He will talk to us about how even the slightest increase of exercise and movement can make a big impact upon how we feel, how we interact with others, and how we journey through life. The forum is Friday October 20 at 2pm in the Mission campus sanctuary.

All Saints' Potluck

Mark your calendars now for the annual All Saints' Potluck dinner. We will be celebrating many things. We will give a nod to the 500th anniversary of Luther nailing of his 95 theses, thank many of our volunteers and those who help at worship services, remember those who have died the past twelve months, and seal a new time capsule. The entree is provided and we ask that you bring a side dish to share. The new fellowship hall will be finished and we will celebrate in the new facility. Last year 170 members enjoyed the afternoon. In late September /early October we will start a sign-up sheet so we know how many to expect. It should be a great time!

Time Capsule

What should go into a new time capsule? Leo Schlesselman and Joel Shifflett are working on the plans to construct a display case for the items taken out of the time capsule we opened last November. They are also going to create a new time capsule to be displayed and opened sometime in the future. We need your help. We want to know what you think should be included in the new time capsule and the future date you think it should be opened. Since we will display the new capsule and not bury it, the size is not as limiting a factor (within reason). We plan to reveal the case and seal the new capsule at this year's All Saints' Day potluck. Send your ideas to Tom@tlcms.org.
