

SENIOR MOMENTS

March 2018

Tom Perry, Senior Ministry Coordinator

The Quimby Organ

Last month members and friends of Trinity had the opportunity to learn more about the organ that the Mission campus enjoys. Our organist Dr. Lara West, gave us a wonderful tour and demonstration of this magnificent instrument. She went through the history of the different organs we have had and chronicled the different additions made through the years to the Quimby organ we now use. It is amazing to me that we are constantly discovering new things and capabilities of this instrument. I was unaware of just how great a piece of interactive art it is. Lara is very gifted musically and is able to explain in a clear, understandable, and entertaining manner. Thank you, Lara, for sharing your gifts with us. If you were unable to come, we have a few DVDs of the presentation you may borrow.

Homebound Easter Baskets

Trinity's older adult community will be making and delivering Easter baskets to our homebound members this year. We have purchased baskets and ask that you help us in filling them. Here are some ideas for items that you might consider donating.

- Tissues
- Lotions
- Reading material
- Devotions
- Candy (individually wrapped)
- Slipper socks
- Note cards
- Birthday/holiday greeting card packages
- Stamps

Please bring items to church or Bible class between February 21 and March 4. We will assemble the baskets after the 50+ Bible study and before the Brown Bag Bible Study on March 7. Delivery will be made the week of March 18-24.

We currently have 32 home bound members and would like to see our members help to deliver the baskets. I will match people with homebound members as we get closer to March 18. If you would like to help in delivery of the baskets, please let Tom know.

The Trinity Foundation

TRINITY LUTHERAN FOUNDATION

How much do you know about the Trinity Lutheran Foundation? Did you know that the Foundation is a source of funding for many of the ministries, grants, and brick-and-mortar projects that go on at our campuses? The Foundation is made up of funds given by people who are concerned and involved in supporting Trinity's mission of being a "Community Following Jesus."

At 2pm on April 20 at the Mission campus and 2pm on April 26 at the Shawnee campus, Rex Garrelts will talk to us about all that is involved with the Trinity Foundation. He will talk about what they have done, how they are funded, and how you can become involved if you wish. Rex can answer most questions you have concerning this wonderful organization. We hope to see you there.

"Won't you be my Neighbor?"

In May at both campuses, Pastor Phil will host a presentation on how to be a good neighbor. Pastor Phil has been practicing many of the principles found in the book *The Art of Neighboring* by Jay Pathak and Dave Runyon. Jesus spoke of going out of our way to be good neighbors. We will look at practical ways to put this ministry into action. The plan is to follow up during the summer months with steps you can take to implement the art of neighboring. Look for the dates soon to be announced.
