On January 27th the Older Adult Ministry hosted an enjoyable afternoon of fellowship. Sixty-six of our members gathered for dinner and a fun game centered around the life of Martin Luther. Roselea Nellis was our master of ceremonies and Pastor Ron checked to see how much we could remember about Martin Luther. Eileen Perry headed up the efforts of providing the meal. Howard and Tom tried not to get in the way. Thanks to all who helped and thanks also to those who came and made it a fun afternoon. "This is most certainly true."

The Quimby Organ

Mozart once called the organ the "king of all instruments." The Trinity Mission campus is blessed with a magnificent instrument of high concert quality to lead in worship. On Friday, February 9, at 2pm, Trinity organist Dr. Lara West will talk about and demonstrate the special capabilities of this wonderful instrument. The sanctuary will be arranged for easy viewing of her presentation. Come join us in this memorable presentation. There is no cost and all are welcome!

Enhanced Older Adult Ministry

At the January congregational assembly, members of Trinity approved an overture that is to be given to the Kansas District for inclusion in the district convention in June. Trinity is trying to partner with the District to encourage an active older adult ministry for the congregations of the Kansas District. Congregations in the District and in the Synod have varying degrees of involvement with their older members. Trinity has always been very active in this ministry and we believe we can aide other congregations in finding out what is possible. The Kansas District has shown some interest in this. We might be able to show other interested congregations some of the opportunities we offer. I have been invited to attend a conference in Chicago at Concordia-River Forest. We are looking into that possibility.

The Trinity Foundation

TRINITY LUTHERAN FOUNDATION

In April Rex Garrelts will lead a presentation about the Trinity Lutheran Foundation. The Foundation is responsible for helping to fund many of the projects and ministries that are a part of Trinity. Rex will explain what the foundation does, how it is set up fiscally, membership, and give us examples of how Trinity has been able to draw from this giving group of people. You will be surprised and gladdened to see how God is using the gifts brought to us by the Trinity Foundation. We plan to have a presentation at both campuses in April.

"Won't you be my Neighbor?"

In May at both campuses, Pastor Phil will host a presentation on how to be a good neighbor. Pastor Phil has been practicing many of the principles found in the book *The Art of Neighboring* by Jay Pathak and Dave Runyon. Jesus spoke of going out of our way to be good neighbors. We will look at practical ways to put this ministry into action. The plan is to follow up during the summer months with steps you can take to implement the art of neighboring. Look for the dates soon to be announced.
