

SENIOR MOMENTS

February 2019

Tom Perry, Senior Ministry Coordinator

Snow Anyone?

As you know we had to call off our Senior celebration for February. It would have been a great time with the Improv group, but it would not have been worth risking a broken hip or worse. We had 12 inches of snow and perhaps that has taught me a lesson about scheduling a big event in January. I will see if there is a chance to reschedule and let you know. Perhaps we can look to March. When sending out a mass email to let you all know about the cancelation, I should have marked a box that limited the responses. Evidently there were a lot of responses flying around, and if you got too many I apologize.

Ben Spalding Talk

By the time you read this Ben will have talked to us about why and how we worship. I am sure it was very informative and well done, as Ben is always well prepared. Thanks, Ben for once again helping our congregation learn more about our faith.

Easter Baskets

Once again, we will be filling Easter baskets to take to our homebound members. Look for more information in March on how you can help.

Survey

While going over some documents I came across the survey we offered when we first started our enhanced senior ministry. I thought it would be helpful and interesting to reissue it and see if things have changed, if we need to add new and different things, and what your current thoughts are. We have had so much additional growth and interest that some of you may not have taken it when first presented. Gretchen was able to format the survey and put it on the website so you can now take the survey with just a few "clicks." It will be beneficial for planning if you take a few moments to fill in the survey even if you took it before. Look for the link in the *eNews*. Thanks!
