Trinity Lutheran Church Preschool

By Jo Ann Emerson, Director

The Preschool's theme this year was based upon Isaiah 43:2 –

***When you go through deep waters,
I will be with you.***

In this passage, God is talking to the Israelites and referring to their journey out of Egypt. Note that the word "when" is used, not "if." Trials in life are inevitable but we have this promise: God will be with us, He is for us, so who can be against us?

The 2018-2019 school year held some obstacles for preschool. We had staff members with loved ones going through serious medical issues, and even death. We had an alumni family, with their third child in the program, experience sudden job loss. Two families unexpectedly moved mid-year. The record number of snow days (seven!) and the large amount of rain in April and May, made it hard to get the students outside for large motor time. Our aide of six years left to pursue a career in restaurant management. The state of Kansas enforced new fingerprinting procedures, higher continuing education requirements, and new mandatory health and safety training. Yes, this school year was full of challenges.

Yet, through all of this, God was (and is!) with us.

- First and foremost, God spared nothing, not even His Son, so that we might be saved. Illness? Death? Just a temporary earthly problem—we have eternal life!
- No fear! Fear is fueled by the power of what might be or what we imagine could be. Fear robs our joy and belittles the power of God. We can have comfort and peace when we "Remember the Lord, who is great and awesome..." (Nehemiah 4:14).
- Jesus is our Intercessor. Christ is the one sitting at the right hand of the Father, and Christ is the one who intercedes for us every day. Through prayer, we can lay all our troubles on Him. We are more than conquerors through Jesus who loves us!
- His Word. When times are tough, we may feel that God has left us, but that is when we

Wear Red for Pentecost

By Ben A. Spalding

June 8-9
All Services

On the weekend of June 8-9, the Day of Pentecost (fifty days of Easter and ten days after the Ascension), the clergy wear red

vestments to signify the work of the Spirit. It is also a custom in many churches for the people in the congregation to wear red on the Day of Pentecost as well. We invite you to wear red on Pentecost Sunday to remind us of the fire of the

Spirit. Additionally, the sanctuary will be decorated in red symbolizing the tongues of flame (and by extension, the Holy Spirit) that appeared above those who were assembled on the original Pentecost (Acts 2:3).

Red Flowers for Pentecost

By Connie Koetting

As is Trinity's tradition, we will again be ordering red flowers to celebrate Pentecost at the Mission campus on June 8-9. The

flowers will then be planted to beautify the Mission campus entryway. To make a donation towards the purchase of the flowers,

please see the display in the foyer. The deadline is June 2.

It's Not Too Late!

By Larry Conrad

Not in worship on May 19, or have not handed in your commitment card?

It is not too late to turn in or submit your commitment card online! Our members commitment information is one of the tools we use to evaluate our future giving contributions. As such, the more households that provide commitment information, the better our future forecasting can be. It's

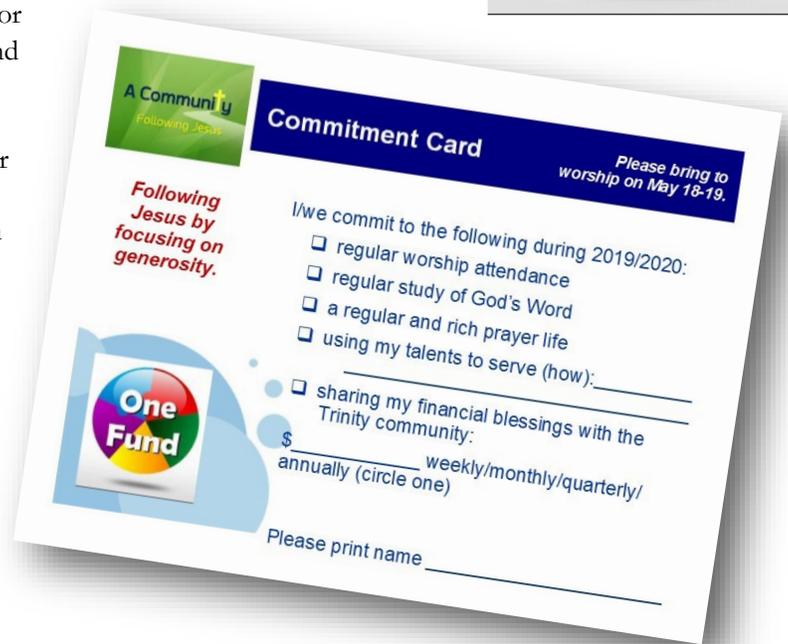

Electronic Commitment

not too late, your commitment is important!

We have many new initiatives for ministry, but need your help to accomplish them. We hope you have had the opportunity for prayerful reflection and discernment as you consider your One-Fund commitment for 2019/2020. In order to move forward with these initiatives, we are asking you to prayerfully consider a 5% increase over your current giv-

ing. Commitment cards are available at each campus. Additionally you may choose to submit your commitment card manually to the church office.

Handbell Players Wanted

By Lara West

Handbell players wanted: We are organizing a small handbell ensemble of about four players to play for worship one Sunday this sum-

mer at the Mission campus. If you would like to participate, please contact Lara West (lara@tlcms.org) by June 3. Past handbell expe-

rience is a plus, but it is not required as long as you can read musical rhythms.

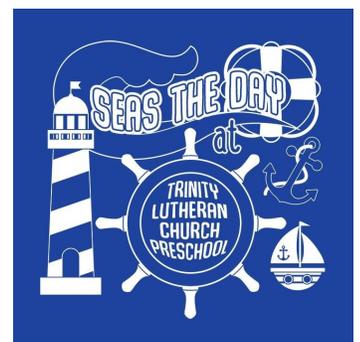

Trinity Preschool (continued)

must believe His Word rather than our feelings. "For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate

us from the love of God in Christ Jesus our Lord" (Romans 8:38-39).

Our school year has wrapped up and we are already looking ahead to a new year. We celebrate the opportunity we have had to

draw closer to Him and pray that the 2019-2020 school year will be blessed with new possibilities and new opportunities to grow in faith, knowledge and wisdom.

church office. The new directory is displayed at the welcome center of each campus. If anyone would like a printed directory, let the church office know and

we would be glad to print a copy for you. Member photos are always available online on Trinity Cloud.

Marquee Sign Now Operational!

By Pastor Mark Schulz

After several months of behind-the-scenes work, the marquee sign at the Mission campus is now operational with new and improved technology. The former sign technology became obsolete which necessitated the replacement of the sign. Special thanks to the donors

who funded this upgrade and to Administrator Larry Conrad for spearheading the effort to complete the project. The prominent location of the sign gives us the opportunity to touch thousands with Gospel messages and information about Trinity.

Roar VBS

By Rhonda Synovec

Shawnee Campus
June 24 – 28
9 – 11:30am

Mission Campus
July 8 - 12
9 – 11:30am

At Roar VBS, kids will explore God's goodness, and celebrate a ferocious faith that powers them through this wild life. We all know life for kids can be wild, and not always in a good way. Life can be unpredictable,

unsteady, unfair, sad, and sometimes scary. Roar VBS will teach kids that when life is crazy, God is good!

Roar VBS is filled with incredible Bible-learning experiences that kids see, hear, touch, and even taste. Every part of VBS helps children discover how faith can flow into real life. Kids will also discover how to see evidence of God in everyday life.

At Roar VBS, kids learn one important Bible point each day that helps them know more about following Jesus. The Bible point is woven into every area and exploration station at VBS.

VBS is our opportunity as the body of Christ to shine God's light into our community by inviting and bringing others to share in this amazing week. It is also our opportunity to shine God's light by serving the

children and families at VBS. Consider sharing your gifts and talents with the children who enter our doors. There are any number of ways to be involved – pray for VBS, donate items, prepare and help decorate our environment for that WOW factor, become a crew leader for a group of five children, become a station assistant where you can assist a leader, help with check-in and registration each day, or assist in any number of other ways.

Come discover God's creativity in the world around us! Register to be a part of Roar VBS by going to our website: tlcms.org.

Seeking Your Input!

By Pastor Mark Schulz

Over the past six months, as a part of my responsibilities as Trinity's senior pastor I have been developing a Strategic Ministry Plan for Trinity for the next several years. The purpose of the plan is to align our ministry efforts with the vision and values of the congregation as we seek to be "A Community Following Jesus."

A draft version of the plan has been shared with the staff and with the Executive

Committee. A number of helpful suggestions were made and incorporated into the proposed plan. Now it's YOUR turn! Several listening sessions have been scheduled at which the proposed plan will be presented and discussed. Please join me and help make the plan better! Listening sessions will last 60 minutes. The final version of the plan will be presented and voted on at the June Congregational Assembly on June 23.

Remaining listening session opportunities:

- Tuesday, June 4 at 6:30pm at the Shawnee campus
- Wednesday, June 5 at 6:30pm at the Mission campus

Shawnee Campus Development

By Pastor Phil Cook

We've reached another major milestone in the development and expansion of the Shawnee campus. In April, our development team met with two architectural firms to hear their proposals towards developing a master plan for the future of the Shawnee campus. After hearing those proposals, we selected SFS Architecture to complete this master plan. SFS was the firm that did the original design work for the first phase of the Shawnee campus. With the selection of SFS, we look forward to continuing the same high

caliber of creativity and thoughtful design as we have previously experienced. As we move into June, various teams from the Shawnee campus will be meeting with representatives from SFS to assess ministry activities, and the kinds of spaces needed to support that ministry. This will lead to a final concept design and an initial cost estimate. This is an exciting time as we dream about what ministry might look like and bring some definition to those dreams! As we move forward into this phase, we would ask that

you continue to pray that the vision for ministry God has for us would continue to become clear to us. More than that, please pray that people would be touched by the love of Jesus through

the ministry of Trinity. Things are growing. Things are changing. It is exciting to see the work that God is doing at Trinity!

Focus on Generosity

By Pastor Mark Schulz

If you have been following our ongoing financial reporting, you will have noticed that our income from offerings has been running consistently ahead of our projections until this month. Thank you for your ongoing support!

Each year, we see a spike in giving in December that provides a cash cushion to cover expenses that is gradually depleted as we approach the end of our fiscal year in June. Since that cushion is now gone, **it will take a strong “push” in June, as we end our fiscal year, for us to meet our financial needs and fully**

support our ministry program.

I am asking you prayerfully to consider the following and take action: If you are behind in what you intended to do financially to support God’s work through Trinity’s ministries this year, make an effort to “catch up.” If you are current in your financial intention and are in a position to do so, consider contributing an extra amount as God has blessed you between now and the end of the fiscal year. Please note that contributions must be received by June 30 to be included in

this fiscal year’s results.

Thank you for being part of our “Community Following Jesus.” We are already making plans for exciting new ways of sharing the love of Jesus with those in our area and to the ends of the earth in the year that lies ahead. More about these opportunities will be shared at the Congregational Assembly on Sunday, June 23.

God’s Blessings!

Hollis Brickworks: A Kid-Friendly, Family-Focused Service Program

June 5, 10am-12pm

July 7, 1-3pm

August 7, 10am-12pm

During the summer of 2018, we introduced BrickWorks to the Hollis community. We are partnering with THE GIVING BRICK, a Kansas City based non-profit that collects used LEGO bricks,

repackages sets, and gives them children served by CASA of Jackson County. Throughout the summer, families joined us at Hollis to experience the joy of working together as a community to serve others. During our BrickWorks service hours, we sort through donated LEGO

bricks and break apart already assembled LEGO pieces. Because the events were met with such enthusiasm, we are continuing the program and will be introducing more BrickWorks dates throughout the year. All attendees are welcome to bring sack lunches, and explore the trails and hills of

Hollis, play a game of GAGA ball, or sand volleyball before or after the service event. <http://www.holliscenter.org/brickworks-1.html>
