National Lutheran Schools Week

By Jo Ann Emerson, Preschool Director

January 26—February 1 is National Lutheran Schools Week. The theme – Joy:Fully Lutheran – is based upon I Thessalonians 5:16-24. Here at Trinity Lutheran Church Preschool we are focusing on verses 16-18:

Be joyful always,
 Pray continually,
 Give thanks in all circumstances
 for this is God’s will for you
 in Christ Jesus.

When you ask children, and many adults, to define the word “joy,” usually “happy” comes to mind. But can we really be happy always? In all circumstances? No! The true meaning of joy, specifically Christian joy, is this:

a good feeling in the soul, produced by the Holy Spirit, as he causes us to see the beauty of Christ in the Word and in the world.

Even during sad times, we can recognize that Christ is at work, that he has a plan for us, that he will continually bestow grace upon us despite life’s circumstances.

As preschool educators, our challenge is to teach these verses in I Thessalonians (like all things we teach) in a concrete way. Our message during Lutheran Schools Week will be J.O.Y. – Jesus first. Others second. You last.

Vacancy Assistance

By Pastor Mark Schulz

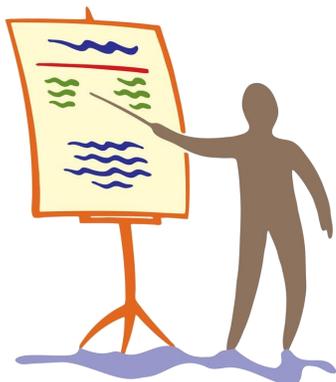

Pastor Tom Van Duzer has been brought onto Trinity's staff during our pastoral vacancy as Assistant to the Senior Pastor. He will be assisting with preaching, teaching, and visitation for about ten hours per week. Below is biographical information to help you begin to get acquainted with Pastor Tom and his wife, Mary. Please give them a hearty Trinity welcome! Tom Van Duzer was raised in Michigan where in high school he witnessed a number of his friends come

to Christ through an evangelistic church youth group. This prompted God's calling into the ministry. He graduated from Concordia Seminary, St. Louis, (1979) and with wife Mary went on to plant three churches, in suburban Milwaukee, Wisconsin; Houston, Texas; and in southern California. He recently retired after serving as pastor of Our Saviour Lutheran Church in KCK. Tom and Mary have three daughters (two in Texas, one in California) and six

grandchildren. He has taught church planting, been on the LCMS Commission on Worship, and had other roles. He is an experienced worship song leader on his guitars and has written and arranged more than thirty songs. Mary is his bass player. Outside of church Tom plays basketball, does woodworking and photography, and cares for his 94 year old father. Mary is an avid weaver. They love walking their neighborhood together.

Listening to You

By Pastor Mark Schulz

One of the primary responsibilities of Trinity's Executive Committee is listening to you, the members of our "Community Following Jesus." This happens in a variety of ways, both

through organized events where input is sought as well as informally in personal conversation. Another way this happens is when one or more community members attends an Execu-

tive Committee meeting. Please know that there is an open invitation for you to do so. It would be helpful for you to contact President Cheri Wright beforehand.

Lutheran Valley Retreat Secret Sponsor Program

By Beth Stephens

What is LVR and why do we go?

Lutheran Valley Retreat (LVR) is a camp up in the Rocky Mountains near Woodland Park, Colorado. It is associated with the LCMS through the National Lutheran Outdoor Ministry Association (NLOMA). For the past 44 years, churches from the Kansas City area have taken a group of high school students to LVR for a week of connecting with God, stepping out of their comfort zone, and worshipping together. KC area DCEs plan a week where students are challenged to look at their lives with a faith lens and to see God, themselves, and each other in a new way. Students spend time in cabin groups, Bible study, worship, service projects, and fun mountain activities while they are there.

Trinity and LVR

Trinity is committed to the importance of the LVR experience, so much so that we offer to cover the cost of incoming freshmen to attend. This means that students who are confirmed in April 2020 will be able to attend LVR free of charge. Through fundraising and our youth ministry budget, our goal is to limit the financial strain, so all students have the opportunity to join us! This year, we will be traveling to LVR June 14-20 and are expecting a group of 15-20 students along with 3 adults to attend from Trinity. If you have not had a youth attend LVR, you may be curious as to what it may cost to send one student to camp for a week:

- \$525...The total cost of one student to attend
- \$250...The total cost of one adult leader to attend
- \$170...The cost families pay to send a student
- \$70...The cost of one day of LVR per student

You may be wondering “how can I help?!” Through the Secret Sponsor Fundraiser!

An opportunity to engage with the Youth!

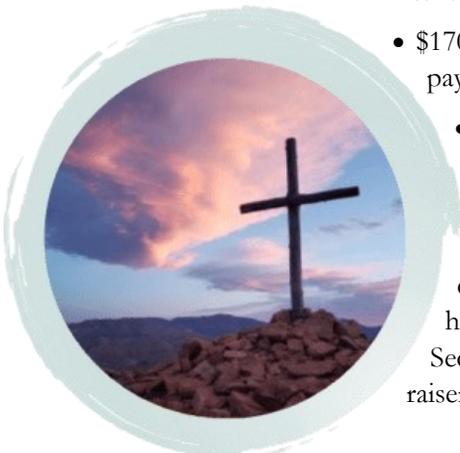

Secret Sponsor Fundraiser

When you participate in the Secret Sponsor Fundraiser, you not only contribute to the youth who attend LVR, but connect with them on a deeper level too! To sign up, fill out our online form by February 15. See the link in the *eNews* or scan the QR code above.

After we receive the commitments from sponsors in February, you will receive a note about the student you are sponsoring-BUT you must keep it a secret! On or before June 1, sponsors will give Beth Stephens a picture of you/your family/group with a letter written to the designated student. Each student will open these while they are at camp. After camp, youth will share with you about their LVR experience at the congrega-

tional meeting in June. This will be a great time for students and their sponsors to meet! Our goal is that finances are never a barrier for a student to experience LVR. We are hoping to raise \$10,000 from this fundraiser. You might not be able to make the commitment to support the full cost of student on your own; perhaps a Bible study or group could work together to raise \$250 to \$500. You do not have to give a certain amount to be a sponsor, those are just simply suggestions. Anything you can give will be a blessing to our youth!

Thank you for your contributions. I am excited for you to connect with our youth through this event! If you have any questions, please reach out to DCE Beth Stephens: beth@tlcms.org

JOY FULLY

...continued from page 1.

Jesus –Jesus first looks like reading the Bible, going to church, and being kind to people just like **J**esus shows us in the Bible. **J**esus first sounds like singing praises to him, sharing the good news with your friends and family, and praying.

Others –Others second looks like sharing toys with your friends and listening to your friends when they are talking. **O**thers second sounds like “Would you like to play?” and “I’m sorry you’re having a bad day! How can I help?”

You –You last looks like waiting patiently for others to go before you and putting the interests of others before your desires. **Y**ou last sounds like telling the truth even when you don’t want to and admitting when you are wrong.

By placing **J**esus first, **O**thers second, and **Y**ou last, we can get to the end goal – it feels like **JOY**! May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope (Romans 15:13).

In the **JOY** of His love,

Jo Ann Emerson, Preschool Director

Thank you for your Generosity

By Tom Perry

This past Christmas the seniors of our congregation made the Christmas aftermath a very special time. The Shawnee seniors showed their generosity by contributing to a freewill offering taken during their Christmas brunch. Your contributions were given to the preschool to help with some of the young families. Enough funds were raised to significantly help four different families. Three

families were helped with tuition and one family suffering from a tragic loss will be helped in some way. In preschool director Jo Ann Emerson's words, "Just helping others is wonderful. But helping families immediately after the Christmas holiday is very impactful. All are very appreciative. On behalf of these families, THANK YOU!" The 50+ Bible class has taken a freewill offering

at the Oktoberfest and the Christmas party. The money raised at these events went to help defray costs of a visiting choir from Germany. When speaking to Deacon Tim Reaman, he offers his thanks for the generous gifts. Once again Trinity shows a caring heart as it continues to be a "Community Following Jesus."

Difficult Questions Presentations

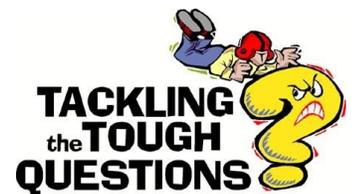

By Pastor Phil Cook

March 1, 6:30-8pm
Mission Campus
Adult Lounge

In the world we live in, Christians are faced with a number of difficult questions and conversations. “How do we make sense of creation and evolution?” “How do we live into God’s gift of sexuality?” “How do we think about the roles of men and women in the church?” “How does our faith impact our

politics, and vice versa?” Many times these topics are difficult to engage because there are so many different elements to each discussion and so many strong opinions on these subjects. Often, in a Bible study or a sermon, there is not time to unpack all of these different nuances. To engage these important topics in a sensitive way, we are beginning a series of Difficult Questions presentations, where we will have more time to talk

through, discuss, and gain understanding of how the Scriptures speak to these topics. Because these issues can be so difficult to engage, the first Difficult Questions presentation will be on “How do Christians have difficult conversations?” In it, we’ll talk about some Biblical guidelines for engaging in difficult conversations that include faithfulness to God’s Word, and concern for all people. We will also be receiving your

feedback on which difficult questions you want us to discuss next. Please join us for the first Difficult Questions presentation on Sunday, March 1, from 6:30-8pm in the Adult Lounge at the Mission campus.

NOISY COLLECTION

Sunday, January 26
All Services

The next noisy collection will benefit Metro Lutheran Ministry to help support families in need of assistance.

Now that 2019 is past and you begin to prepare your 2019 income taxes, the church is only halfway through the church's fiscal year of 2019/2020. We experienced good giving in December, but we are still behind our year-to-date projections. We are aware of some annual giving patterns that are changing and recognize some are transitioning into January 2020. Your giving has a direct impact on the ministries of Trinity. We see strong and healthy ministry being accomplished. A few of these highlights are:

- Intentional Discipleship development with emphasis on **UP**, **OUT**, and

IN segments of our faith.

- **UP** – Strengthening our relationship with our Lord through worship, Bible study classes, and Confirmation classes. We've grown with new members added to both campuses.
- **OUT** - Missions Outreach - Programs such as the Mini-Grants, Guatemala mission and trip, Rushton Elementary, as well as Preschool which continues to thrive and has a solid, first rate reputation in the community, providing many opportunities to share Jesus' love with His little ones and their families.

- **IN** - Outstanding worship services, Senior Ministry speaker series, Stephen Ministry, as well as fellowship functions have strengthened participation and opportunities for service.

We thank you and are grateful for the generosity and support of our members and guests. Our strength and vitality come from God, and He uses us to carry out ministries that impact the lives of others. Stay strong, keep the faith, and continuously look for the blessing that God has given you. May His blessing continue to show in your generosity.

Congregational Self-Study

By Pastor Mark Schulz

Now that Pastor Ben has left Trinity and begun his ministry in Lincoln, Nebraska, many have asked me what we are going to do next. My sense is that we should take some time to evaluate our needs as a congregation and then

move forward with staffing decisions based on those identified needs. To this end, we will be providing you with opportunities to prioritize what you perceive to be our ministry needs at this time in Trinity's history. This information will then

be compiled and used to guide us in our next steps. Watch future editions of the *Messenger* and the *eNews* for specific information regarding opportunities to provide your input.
