A Note from TLC Preschool

Dear Families,

We are providing you with a list of possible online resources for use at home. While we do not encourage the regular use of technology by students 3-5, we do realize we are facing unusual circumstances. It is our recommendation that any technology use be 1) monitored, 2) limited to 20 minutes, and 3) extend your child's learning.

Happy Learning!

Check These Out:

pbskids.com

funbrainjr.com

starfall.com

disney.go.com/disneyjr

abcya.com
